### Daily Activities

#### Fine Arts

Youth can develop their creativity and cultural awareness through knowledge and appreciation of the visual arts, crafts, performing arts and creative writing.

#### Club Tech

This hands on program will appeal to all ages and technical abilities.

#### Project Learn

This program will provide academic support by integrating fun, educational activities throughout the summer.

#### Physical Education

This program develops positive fitness patterns in youth. It helps them make positive use of their leisure time as well as improve their social skills.

#### Torch Club

Teaching Others Respect Character & Honor! This program meets the character and developmental needs of younger adolescents.
