## FAMILY TIME Adventure Guides

### What is the Y Adventure Guides Program?

As the father of a young child, you have tremendous opportunity to get to know your child by spending quality one on one time together which will help build a strong bond of trust and memories that will last a lifetime. Adventure Guides can help strengthen family relationships. The adventure Guides experience enables parents and kids to have fun while sharing new adventures. Participants are organized around neighborhood groups, "Expeditions," for meetings and special events. The program year runs September through June, but joins at any time!
