

The City of Yorba Linda Parks & Recreation Department Presents

Kids' Community Swap meet

Looking for a chance to clear a little clutter from your home, teach your child a lesson about money and spend some quality time together? If so, this event is for your family! Parents with children between the ages of 5 and 14 can register their children for a booth space to sell their gently used toys, books, furniture, DVDs, sports equipment, clothes and more. Items for sale must be children's items. The Parks & Recreation Department will handle all publicity for the event, as well as provide the 9' x 18' booth space with one eight ft. table and two chairs. There will be light breakfast refreshments for sale, music and raffles for participants. Please register early, as booth spaces do fill up quickly: deadline to register is September 6. Information packets will be mailed following registration.
